

There are two tile areas that can have an alternate text.

Text is not real, only screenshot image. If option text is changed,

a correct link is required to match the text.

The first area can be changed with these links, that set up icon automatically:

Downloads	Downloads %USERPROFILE%\Downloads
Games	Games ::{ED228FDF-9EA8-4870-83B1-96B02CFE0D52}
Internet Explorer	shell:InternetFolder
